

Immediate Industry Recovery Package

COVID-19 (coronavirus)

Support for small business: 1300 number and local contact officers

Queensland Government initiative: \$1.05 million.

A hotline for small business –1300 654 687 – will direct small businesses to relevant support and information including health updates and travel restrictions.

A local Queensland Government representative will contact small businesses that phone the hotline, assisting with additional one-on-one information about relevant referral services and personalised advice and support each business can access.

Who is eligible?

- Impacted small business owners.

Further information

- Call the small business hotline on 1300 654 687.

Other assistance for small businesses

- Financial Resilience Workshops
- Business mentors
- Visit qld.gov.au/industryrecovery or call 1300 654 687

Delivery Agency: Department of Employment, Small Business and Training
