## **BREACH OF COUNCILS GYMNASIUM TERMS AND CONDITIONS**

Council has been made aware that there are some members of the gym who are breaching the gymnasiums terms and conditions/rules.

Council will be reviewing future incidents brought to our attention and those that are identified breaching the conditions of their gym membership will have the following actions taken:

- A formal warning will be given outlining the breach to the gymnasium's terms and conditions. This will happen a maximum of two times.
- If found to be in breach a third time, your membership will be cancelled immediately without a refund of remaining membership.
- You will need to apply the next financial year for Council consideration to renew your membership.

If you would like a copy of the Terms and Conditions document, please contact Councils front office on 4745 2200.
