FRED PASCOE COMMUNITY FISHING BRIDGE

Council wishes to advise that the community fishing bridge is provided for the benefit of all members of the community and your assistance to leave the facilities in a clean and tidy state would be appreciated.

We ask that those using the bridge clean the area prior to departing and dispose of their rubbish in the bins provided.

Let's keep our Shire clean!

If you have any questions or require further information, please contact Council on (07) 4745 2200.
