CHANGE OF CONDITIONS – NORMANTON LANDFILL

Council contractors will be performing maintenance and rehabilitation works on the general waste area at the Normanton Landfill. The works will be commencing on Tuesday 1st June 2021 and is expected to take three to four weeks to complete.

During this time, there will be additional machinery and equipment being used on site. Council requests that residents stay away from the closed off areas and follow direction and signage as set out by officers on site. This may include disposing of general waste in the area immediately adjacent to the current landfill cell.

Council apologises for any inconvenience and would like to thank the public for their assistance while the necessary works are carried out.

If you have any queries, please contact Council's Customer Service Centre on (07) 4745 2200 or by emailing council@carpentaria.qld.gov.au
